New Supervisor to Begin June 1

Supervisor Ronald E. Reid announced his retirement to be effective May 31, 2017. Supervisor Reid leaves with mixed emotions. He has enjoyed his work at the Township and regrets that he will not be overseeing the completion of all that has been started but is looking forward to spending more time with his family.

Trustee Donald D. Martin has been chosen to fill the supervisor position until the next general election which will be in November of 2018.

Trustee Position to be Filled

Have you ever considered serving in local government? Kalamazoo Charter Township is looking for a new Trustee to serve on the Board of Trustees. A Trustee must be a registered voter residing in Kalamazoo Township. The person chosen will serve until the November 2018 general election, at which time they may choose to be a candidate for the office.

Application deadline is noon, May 30, 2017. More information is available on the Township website www.ktwp.org

Making Streets Complete

Drainage work continues for many township roads to manage rainwater (and snow melt, if you remember that) and protect the road materials for the longterm. In Eastwood, drainage work will start in June in order to coincide with work to replace water lines.

Work also continues to improve orphaned sidewalks (where an existing sidewalk ends in a barrier that prevents some residents from reaching the street) and some new sidewalks near schools and along busy roads where it's particularly unsafe to walk in the road.

Our roads, sidewalks, bicycle lanes and trailways offer a variety of means to connect with each other, work, school, shopping, worship, and more.

Kalamazoo Township Adopts New Logo

The Township has developed a new logo in order to give more recognition to the neighborhoods that make up Kalamazoo Township and to promote the Township as *a safe, healthy, accessible and economically viable community to live, work, learn, and play*. Watch for it as we have the opportunity to replace signs and other items with the logo on it.

Play

A new piece of playground equipment graces Stroud Family Park, located on Grand Prairie Street next to the Westwood Little League. Young children enjoy this quiet park.

Township Website

www.ktwp.org is rich in interesting resources, including information about our police and fire department, assessment, board's meeting packets, passports, and much more.
