Switching a mixed waste container or restarting service

There will be no charge for new customers during the first 90 days of the start of the contract for new deliveries. After 90 days: New starts, additional containers, size changes or customer damaged carts will be charged \$10 per trip. Containers needing to be switched due to normal wear and tear will be done at no charge.

Additional Services: Large/Bulk items: Republic Services will provide Bulk Item pick up on specified days of the week. Residents may contact the customer service department to pre-pay and schedule a pick-up

- Furniture (Couch, chair, dresser): \$15 per item
- Mattress/Box Spring: \$15.00 per item
- Appliance: (Washer, Dryer or Refrigerator*): \$25 per item.

*Any item containing FREON must have Freon removed and tagged before removal.

This does not take the place of the Township Wide clean-up that currently takes place several times per year under a separate contract.

Information regarding conditions necessary for possible fuel surcharges to take effect can be found on page two.
